

ESTABLISHING A COMPETENT WORKFORCE

INDIVIDUAL – takes responsibility for developing a Personal Development Plan (PDP) to maintain Continuing Practitioner Development. (CPD)

What a
competent
and happy
worker I am

COMMISSIONERS – are required

- to ensure that service specifications require that only demonstrably competent staff are employed.
- Incorporate realistic costings to ensure CPD in services can be maintained

PROVIDERS – are required

- To employ only demonstrably competent staff.
- To ensure those staff are able to continue / maintain continuing practitioner development through their personal development plans.
